Hi again Mark,

EPA has reviewed the Port of Tacoma's January 13, 2014 letter (attached) proposing changes to the language in Section 5.1.2 of the Upper Clear Creek Mitigation Site Basis of Design. The Port's proposed changes regarding this particular matter are acceptable.

Please feel free to contact me at the number below, or Kimberly Owens at 206-553-6052, if you have additional questions.

Gratitude,

Kim and Chan,

Please see the attached letter regarding a clarification/revision that the Port would like to make to the Basis of Design Report for the Upper Clear Creek Mitigation Site.

Regards,
Mark
